Error

An unknown server-side error occurred while processing the command. Original error: Error getting device platform version. Original error: Error executing adbExec. Original error: 'Command 'C:\Android\Sdk\platform-tools\adb.exe -P 5037 -s emulator-5554 shell getprop ro.build.version.release' exited with code 1'; Stderr: 'adb.exe: device unauthorized. This adb server's \$ADB_VENDOR_KEYS is not set. Try 'adb kill-server' if that seems wrong. Otherwise check for a confirmation dialog on your device.'; Code: 1'
